

## Virtual Diversity Day Panel

Wednesday, September 9<sup>th</sup>, 5:00PM – 6:00PM

[Register Here!](#)

Mauro Ibarra

Mauro Ibarra is a Senior Manager in Accenture's Strategy & Consulting - Utilities practice. He is a passionate, driven and forward-looking leader specialized in Business and Technology Transformation Projects and Large Complex Delivery in the Utility Industry. Mauro's experience includes executive engagement, sales, project management and execution. In addition to his client work, Mauro is an active Inclusion & Diversity advocate and is the co-lead of the NA Hispanic American Employee Resource Group (HAERG) at Accenture.

Prior to joining Accenture, Mauro led and executed programs to assist a California-based Electric Utility improve stability, reliability, and leverage their Advanced Metering Infrastructure to gain operational benefits.

Mauro holds a Master of Science in Electrical Engineering from CalPoly Pomona and a Bachelor of Science in Electrical Engineering from the University of California, Riverside.

Mauro lives in Southern California with his wife Mayra and two boys, Isaiah and Liam. He enjoys playing the Bass Guitar with his family band and loves traveling the world.

Anthony Agbasi

Anthony is a strategy and consulting senior manager at Accenture. He is part of H&PS Client Account Leadership, where he's focused on helping grow our West MU health provider clients, specifically focused in the SoCal area. Prior to joining H&PS, Anthony spent his time leading complex business & technology transformation programs across industries including Automotive, Banking/Financial Services, Consumer Goods & Services, Energy, Industrial Equipment, Manufacturing, Retail and Utilities. He has delivered a variety of highly innovative solutions from established ERP & CRM platforms, to specialized eCommerce and industry applications. Anthony is passionate about giving back to the community through education, particularly in under-served communities. He invests some of his free time supporting and bringing awareness to local non-profit enabling organizations like Skills-to-Succeed (S2S) & Knowledge Is Power (KIPP) in the Los Angeles area. Anthony is currently the executive sponsor of the SoCal AAERG covering LA, OC and SD counties, and is also on Accenture's corporate citizenship leadership team for the SoCal area. Anthony graduated from the University of Southern California (USC) Marshall School of Business with a degree in Business Administration (Finance Emphasis) and a minor in Information Systems Management. He is a huge fan of all USC sports and was a former All-Pac-12 decathlete.

Jessica Clemons

Jessica Clemons is a Senior Manager within our CEO & Enterprise Strategy Practice, with a specialization in Intelligent Operating Model. Her work focuses on cost transformation and experience transformation, and includes cross-functional operating model strategy, contact center strategy, workforce optimization, and customer experience. Jessica also leads our West CFO practice for the Health and Public Service sectors and is heavily involved in I&D initiatives in North America, in bringing Accenture's I&D offering to clients, and with non-profits in the Los Angeles area.

Jessica earned a B.S.E. in Industrial & Operations Engineering from the University of Michigan and an Executive MBA from the University of Michigan Ross School of Business.

Daniel Cole

Daniel Cole is an executive aligned to Accenture's Strategy and Consulting Talent & Organization Practice. He leads M&A teams focused on the integration experience of acquired employees within Software and Platforms. He has also worked with high tech clients focusing on partner and seller adoption of new large-scale commerce platforms. He has extensive experience engaging sponsors and stakeholders, developing change strategies, and executing change activities.

Outside of client work, Mr. Cole is active with several Accenture initiatives including leading the NorCal AAERG. Daniel earned his BA in Economics from the University of Massachusetts Amherst and an MBA from Hult International Business School.

Ciara Redmond

Ciara is a Seattle-based Technology Consultant. She has spent her time at Accenture working in business operations and strategy, reporting & analytics product management, and organization design across the data center networking and telecom industries. Ciara has a Supply Chain Management degree from The University of Texas at Austin, and you'll find her at her happiest working in I&D efforts as a co-lead of our Seattle Women's and Pride ERGs, eating Tex-Mex and Irish food, or reading.

Tatiana Diaz-Gallegos

Tatiana Diaz-Gallegos is a Security Consulting Senior Analyst in the West region and she is aligned to Cyber Defense Services, more specifically in Application Security Advisory Services. She has experience in Application Security Assessments, DevSecOps, Security Metrics Development, and Application Security Fundamentals.

Tatiana is the Market Lead for NorCal's Hispanic American Employee Resource Group. Outside of Accenture she is very involved in the SHPE community and is the Secretary for the SHPE SFBA Professional Chapter. Her interests include running, hiking, drinking coffee, exploring new places, and trying new food (baking, cooking, and eating)!

Alexander Sands

Alex Sands is a consulting senior analyst based out of the Los Angeles, CA office. Alex is a co-founder of the Social Justice League, a group focused on building community and creating space around the issue of racial injustice within the corporate space. Alex is a 2018 graduate of Howard University, and native to Macon, Georgia. During his two years at Accenture, Alex has developed a specialization in data analytics and data visualization.

Alejandra Flores

Alejandra is a Senior Consulting Analyst within the Consulting Development Program (CDP). She has experience primarily with Design Thinking, Business Process Design, Change Management, and Configuration and Release Management.

She graduated from the University of Washington with a degree in Finance and International Business. Her strong engagement with the Association of Latino Professionals for America (ALPFA) throughout the years, has led her to be part of the Accenture - Seattle Campus I&D Recruiting team and serve as the Professional Lead for the Hispanic American ERG (HAERG).

Outside of work she is constantly making new recipes, exploring the coffee world or reading.
